## A Staffing Agency for Quality Healthcare

OMNI HEALTHCARE STAFFING, INC. is on a mission to promote harmonious collaboration between medical professionals and client-employers. This is something we can achieve through carefully designed staffing solutions that are executed with efficiency.

OMNI HEALTHCARE STAFFING, INC. can facilitate staffing solutions for employers while at the same time, foster better career paths for job seekers in either permanent placement, travel staffing or per diem arrangements. We streamline the staffing process so that we can easily respond to staffing requirements especially for hard-to-fill positions or urgent demands for relief staff.

- ✔ NURSES
- ✔ NURSE MANAGERS
